

## **PRESSE RELEASE**

Berlin, December 1<sup>st</sup>, 2021

### **Save the Date: February 24 - 25<sup>th</sup>, 2022**

The XENIX ETF DAYS 2022 will take place on February 24 - 25<sup>th</sup>, 2022 as an in-person event in Berlin. "All partners involved have high expectations. We're looking forward to a very diversified ETF conference in Germany's fintech capital," says Dr. Markus Thomas, host of the ETF DAYS.

### **Unique Mix of Conference Topics**

The XENIX ETF DAYS 2022 are a conference for professional investors. The mix of topics ranges from crypto indices to ETFs of various asset classes and sustainability-ETFs to digital wealth management. Conference moderator Wieland Thyssen expects a cutting-edge congress: "Our mix of topics is unique. Additionally, the combination of specialist lectures with subsequent expert panels promises an open discussion on the latest investment solutions."

### **Conference Partners**

Partners of XENIX ETF DAYS 2022 include i.a. Credit Suisse Asset Management (CSAM), L&G ETFs and 21Shares, the Berlin Finance Initiative (BFI) and de:hub Berlin as well as the media portals finanzen.net, Bank Blog and 10x10.

"The XENIX ETF Days 2022 in Berlin are a marketplace for new ideas on the ETF ecosystem. The conference focuses on sustainability and digitisation. This shows the direction in which the ETF industry will develop even more strongly in the future," says Dr. Valerio Schmitz-Esser, Head Index Solutions at Credit Suisse Asset Management.

### **XENIX ETF AWARDS 2022**

A conference highlight will be the official presentation of the German XENIX ETF AWARDS 2022. Awards will be given for high-quality ETFs, innovative ETF newcomers and special achievements.

### **About XENIX®**

XENIX is an ETF analysis company and provider of qualitative ETF ratings. The XENIX team is currently rating the quality of around 2,000 ETFs. XENIX publishes the German ETF AWARDS and cooperates with finanzen.ch for the Swiss ETF AWARDS.

Dr. Markus Thomas is the founder of XENIX and the author of "Das ETF-Anlegerbuch".
